

Giant sun picture

The workbench

- Large piece of thick cardboard
- Scissors
- Pencil
- Self laminating sheet
- Large photo of child's face
- Paint brush
- PVA glue
- Ruler
- Orange, red and yellow color
- Yellow tissue paper 1 pack

Step 1.

Using a dinner size plate trace a circle onto the cardboard then using the circle as a base, use the ruler to draw triangle shapes starting from the inside of the circle up and back to the inside of the circle, continue all the way around the circle. Cut out.

Step 2.

Cut up yellow, red and orange paper into different size shapes and glue over the triangle points only, trim off any over hanging paper when the glue has dried. Place the photo inside a self-laminating sheet and close. Cut out the photo and glue it to the inside of the circle.

Step 3.

Rip the tissue paper up and scrunch it into small pieces then glue them inside the circle around the photo. Hang in your favorite Place.
